MyCCR How To:

Navigate Validator Homepage

The Validator home screen gives you an overview of all your past and pending Validations.

The Pending tab is your default view. This shows you any activity you need to take action on.

Clicking on the Approved tab brings up a list of all activities you have ever approved.
Clicking on the Declined tab brings up a list of all activities you have ever denied.

The final tab will list every Activity/position that you are a validator of.
