Search for an Activity or Position

**Click on “Co-Curricular Record”**.

**Click on “Search Activities”**

Fill out the pertinent information using the Activity and/or Position questions. Additionally, you may select “Additional Options” to narrow your search to specific categories.

You can also look at all Activities and Positions in an entire category by only selecting a category. You can search one or multiple categories. To select multiple categories, press and hold “Ctrl” while selecting the desired categories.
